

Mapesoil: Solving the Drainage-Stability Paradox for Sports Surfaces

May 20, 2021 / 1 p.m. EDT

This presentation will provide an overview of MAPEI'S different product and system solutions for sports sub-bases. The presentation will explain the features and benefits of the solutions, as well as provide a look at the situation(s) for which each solution is best suited.

Participants will learn:

- The various products for sub-base stabilization that are available from MAPEI.
- How to select the right MAPEI product for specific sub-base designs.
- Potential problems related to poor sports sub-base installations and how to avoid these problems.

WEBINAR

Mapesoil™: Solving the Drainage-Stability Paradox for Sports Surfaces

May 20, at 1 p.m. EDT

Duration: 60 min.*

* The Webinar will include a question-and-answer period.
